Union wants the teachers to start later; but not an option as vocational school starts August 30th
Will leave time for parents to comment

Snow Days: 5 traditional days then remote; they are one day 4 of snow days

Public Comment: Janet Drew retired nurse and was at the budget meeting; glad they reinstated the positions and glad for support

Mental Health Needs

She wants to support climate and mental health; wireless technology is an issue with some people and they are sensitive to the 5G; devices give off radiation. "Wait until 8" a program to have students wait until 8th grade for a mobile device. This can create neurological damage; phones should be off in school; schools should make right choices and be cautious
